

Lincoln Park Manor

Assisted Living, Rehabilitation & Skilled Nursing

Advantages of Rehab at Lincoln Park Manor versus Home Care

Worried about Mom or Dad leaving the hospital and still needing rehabilitation? Lincoln Park Manor's small campus personifies attention and one-on-one services when it comes to their rehabilitation and quick recovery.

Lincoln Park Manor	Home Care
Therapy 5 days a week	Therapy 3 days a week or less
Nursing staff available 24-hours	Left alone or family member visits
Doctor comes to you for regular check up	Need to leave the home for doctor visits
5 Star Medicare facility	Home environment not always safe
Same consistent highly trained therapists	May have a different person at each visit

Visit our website to learn more about all of our services and amenities.
