Rehab & Home

I have surgery scheduled for a hip replacement and need post-op physical therapy.

Who has a skilled therapy team to get me on my feet quickly?

My dad just had a stroke and needs to leave the hospital for therapy.

Where can I take him?

My mom can't be alone and needs help with medications and dressing while I'm out of town.

Who can I trust to care for her?

Dear Neighbor,

Lincoln Park Manor is the place to go when you're looking for a high quality skilled therapy facility. As your neighbor, it's important to know we are right here just minutes away, offering rehabilitation services you might not be aware of. Please take a minute to see how we can be a valuable resource if you or a loved one should need post-surgical rehab, short term care for a loved one or are being discharged from the hospital. A list of our extensive therapy services are listed on the back of this letter.

Quality of our therapy team...there is a difference!

- Lincoln Park Manor has earned a 5-Star Quality Rating from Medicare
- Our results oriented Rehab Services get you home faster
- Statistics prove that Lincoln Park Manor sends patients home an average of a week and a half sooner
