

Rehabilitation Programs

Focused on getting you back to daily activities and enjoying life!

Rehab & Home

Our Rehab patients return home an average of five days sooner than other area facilities. We are dedicated to achieving our patient's rehab goals, while ensuring their return home is successful.

Preplanning for a surgery?

A typical stay can be driven by an elective surgery. We would love to walk you through your transition from the hospital to Lincoln Park Manor to home. Please call Ann Wittoesch at (937) 297-4300. Ann can answer questions and can even pre-register you for your upcoming rehabilitation stay.

Our Staff

Louis P. Heckman

Our Medical Director, Dr. Louis Heckman is a graduate of the University of Dayton and The Ohio State University College of Medicine. He completed his residency in Internal Medicine at Miami Valley Hospital in Dayton, Ohio. As our Medical Director, he is available when a change might be needed in your medications or treatment. Reacting promptly to your needs can mean all the difference in recovery time.

Mansi H. Amin

Dr. Amin has been attending to patient's needs in different settings including Urgent Care, Visiting Physicians Association, and private practice since 2007. She has an extensive educational background which includes earning an MBA and a Master of Science in Aerospace Medicine in addition to the Doctor of Osteopathy and Internal Medicine Residency which gives her a unique view of healthcare. She is committed to providing quality preventative care to adults with respect and in a warm, caring setting.

Chethana J. Raghupathy

Dr. Chethana Raghupathy earned her Bachelor of Medicine and Bachelor of Surgery degrees from the University of Mysore, India. She completed her residency training at Wright State University in Internal Medicine and is certified by the American Board of Internal Medicine. She is a member of the American College of Physicians. She has a special interest in diabetes and hypertension/lipid management.
